General Conditions

The following Conditions shall apply to ALL Sections of the **Policy** unless specifically stated to the contrary.

I. **Asbestos**

You must not manufacture, mine, process, distribute, test, remediate, remove, store, dispose of, sell or use asbestos or materials or **Products** containing asbestos.

II. **Cooling off Provision**

You have the right to immediately cancel the cover within fourteen (14) days of the commencement of the first **Period of Insurance** or the receipt of the first policy, whichever is the later (the 'cooling off period'). **You** should exercise this right by contacting the entity that effected this insurance on **Your** behalf or by writing to **Us**.

If **You** do exercise this right, and provided no claim has been made or no circumstance has arisen which is likely to give rise to a claim during the Period of Insurance, **We** will return to **You** a proportion of the premium calculated on a pro-rata basis. The amount of premium to be refunded under this condition will be reduced by all unpaid premiums or unpaid premium instalments outstanding at the date of cancellation;

III. **Cancellation**

This **Policy** may be cancelled by **Us** or on **Our** behalf by giving **You** thirty (30) days' notice in writing to the last known address and the **Premium** hereon shall be adjusted on the basis of **Us** receiving or retaining pro rata **Premium** provided always that no **Claim** has been made and no circumstance that may give rise to a **Claim** has been notified prior to such cancellation.

If any **Premium** is not paid and accepted by **Us** on or before the date it is due, **We** can give written notice to **You** cancelling this insurance with effect from the seventh (7th) day after the notice has been served.

You can prevent cancellation from taking effect and continue the **Policy** if the late **Premium** or **Premium** instalment and any other remaining **Premium** instalments are paid and accepted before the cancellation takes effect. Without prejudice to other forms of service, notice of cancellation is deemed to be served on the third (3rd) day after being posted if sent by pre-paid letter post properly addressed.

In the event that **You** elect to cancel the **Policy** mid-term by giving thirty (30) days' notice in writing **We** may, at our discretion, provide a pro rata refund of part of **Your Premium** paid, proportionate to the unexpired **Period of Insurance** provided always that no **Claim** has been made and no circumstance that may give rise to a **Claim** has been notified prior to such cancellation.

IV. **Change of Circumstances**

You must notify **Us** as soon as possible during the **Period of Insurance** if there is any change in circumstances or to the material facts previously disclosed by **You** to **Us** or stated as material facts by **Us** to **You** which increases the risk of **Accident**, injury, **Loss**, damage or liability.

Upon notification of any such change **We** will be entitled to vary the **Premium** and terms for the rest of the **Period of Insurance**. If the changes make the risk unacceptable to **Us** then **We** are under no obligation to agree to make them and may no longer be able to provide **You** with cover.

If **You** do not notify **Us** of any such change **We** may exercise one or more of the options described in clauses c. i, ii and iii of Common condition VI. - Fair Presentation of the Risk but only with effect from the date of the change in circumstances or material facts.

V. **Choice of Law and Jurisdiction**

This **Policy** shall be governed by the laws of England and Wales and any dispute in connection herewith shall be submitted to the exclusive jurisdiction of the English Courts.

VI. **Fair Presentation of the Risk**

a. At inception and renewal of this **Policy** and also whenever changes are made to it at **Your** request **You** must:

- i. disclose to **Us** all material facts in a clear and accessible manner;
- ii. not misrepresent any material facts.

b. If **You** do not comply with clause a. of this condition **We** may:

- i. avoid this **Policy** which means that **We** will treat it as if it had never existed and refuse all **Claims** where any non-disclosure or misrepresentation by **You** is proven by **Us** to be deliberate or reckless in which case **We** will not return the **Premium** paid by **You**;
 - ii. recover from **You** any amount **We** have already paid for any **Claims** including costs or expenses **We** have incurred.
- c. If **You** do not comply with clause a) of this condition and the non-disclosure or misrepresentation is not deliberate or reckless this **Policy** may be affected in one or more of the following ways depending on what **We** would have done if **We** had known about the facts which **You** failed to disclose or misrepresented:
- i. if **We** would not have provided **You** with any cover **We** will have the option to:
 - a. avoid the **Policy** which means that **We** will treat it as if it had never existed and repay the **Premium** paid;
 - b. recover from **You** any amount **We** have already paid for any **Claims** including costs or expenses **We** have incurred
 - ii. if **We** would have applied different terms to the cover **We** will have the option to treat this **Policy** as if those different terms apply. **We** may recover any payments made by **Us** on **Claims** which have already been paid to the extent that such **Claims** would not have been payable had such additional terms been applied
 - iii. if **We** would have charged **You** a higher **Premium** for providing the cover **We** will charge **You** the additional **Premium** which **You** must pay in full.
- d. Where this **Policy** provides cover for any person other than **You** and that person would if they had taken out such cover in their own name have done so for purposes wholly or mainly unconnected with their trade, **Business** or profession **We** will not invoke the remedies which might otherwise have been available to **Us** under this condition if the failure to make a fair presentation of the risk is neither deliberate nor reckless and concerns only facts or information which relate to a particular **Insured Person** other than **You**.

Provided always that if the person concerned or **You** acting on their behalf makes a careless misrepresentation of fact **We** may invoke the remedies available to **Us** under this condition as against that particular person as if a separate insurance contract had been issued to them leaving the remainder of the **Policy** unaffected.

VII. Fraudulent Claims

If **You** or anyone acting on **Your** behalf:

- a. makes a fraudulent or exaggerated **Claim** under this **Policy**; or
- b. uses fraudulent means or devices including the submission of false or forged **Documents** in support of a **Claim** whether or not the **Claim** is itself genuine;
- c. makes a false statement in support of a **Claim** whether or not the **Claim** is itself genuine;
- d. submits a **Claim** under this **Policy** for **Loss** or damage which **You** or anyone acting on **Your** behalf or in connivance with **You** deliberately caused;
- e. realises after submitting what **You** reasonably believed was a genuine **Claim** under this **Policy** and then fails to tell **Us** that **You** have not suffered any **Loss** or damage;
- f. suppresses information which **You** know would otherwise enable **Us** to refuse to pay a **Claim** under this **Policy**

We will be entitled to refuse to pay the whole of the **Claim** and recover any sums that **We** have already paid in respect of the **Claim**. **We** may also notify **You** that **We** will be treating this **Policy** as having terminated with effect from the date of any of the acts or omissions set out in clauses a. to f. of this condition.

If **We** terminate this **Policy** under this condition **You** will have no cover under this **Policy** from the date of termination and not be entitled to any refund of **Premium**.

If any fraud is perpetrated by or on behalf of an **Insured Person** and not on behalf of **You** this condition should be read as if it applies only to that **Insured Person's Claim** and references to this **Policy** should be read as if they were references to the cover effected for that person alone and not to the **Policy** as a whole.

VIII. Automatic renewal

Your payment details will be securely stored to enable continuous payment authority. **We** may use these details to automatically renew **Your Policy** next year. This applies to payments by Direct Debit, Debit or Credit card.

If **We** elect to use automatic renewals **We** will ensure that **You** are sent a renewal invitation before taking any

payment. It is **Your** responsibility to call **Us** if **Your** circumstances change or **You** do not wish **Us** to automatically renew **Your Policy**.

IX. Subrogation

We shall be subrogated to all **Your** rights of recovery against any person to the extent of any payment made under this **Policy** and **You** shall take all steps necessary to preserve **Our** rights of subrogation and shall give all such assistance in the exercise of rights of recovery as **We** may require.

It is agreed that **We** shall not seek to exercise any such rights against **You** unless the **Claim** is brought about or contributed to by the dishonest, fraudulent, criminal or malicious act or omission of **You**.

X. Reasonable Precautions

You shall take all reasonable precautions to:

- a. prevent any circumstances or to cease any activity which may give rise to liability under this **Policy**;
- b. maintain all buildings, furnishings, ways, works, machinery, plant and vehicles in sound condition;
- c. remedy any defect or danger upon discovery thereof and take such additional precautions as the circumstances may require.

XI. Interlocking Clause

XII. Working at height

You must wear **Fall-arrest Equipment** each time **You** work at heights exceeding five (5) metres above ground other than whilst working on a **Platform or Scaffolding** or with void protection safety netting installed and tested to standard EN 1263-1 and/or ISO1806.

XIII. Substitution

In respect of Sections 1, 2, and 3 this **Policy** will extend to cover **You** in the event of a **Substitute** being used, provided that **You** advise **Us**, within seven (7) days of providing such substitution, of the details of the **Substitute** and the expected duration of such substitution. In addition, **You** will keep **Us** regularly informed of **Your** expected return to work on the contract.

XIV. Sub-contractors

In respect of sections 2, 3 and 4 **We** shall not pay any **Claim** or be liable for any **Loss** arising directly or indirectly from any act, error or omission committed or allegedly committed by any sub-contractor of **You** unless:

- a. **You** use no more than 3 bona fide subcontractors all to be operating in the same line of work as **You** (i.e. no multidisciplinary activity);
- b. Such sub-contractor has their own insurance in place maintaining the same levels of cover as **You** for Public & Products Liability and Professional Indemnity, and proof of this has been obtained by the **You**;
- c. all rights of subrogation against such sub-contractor have been maintained in contract.

In any such event the **Policy** will indemnify the liabilities of **You** and not the liabilities of such sub-contractor.
