III. **Cancellation**

This **Policy** may be cancelled by **Us** or on **Our** behalf by giving **You** thirty (30) days' notice in writing to the last known address. **We** will give a pro-rata refund of the **Premium** proportionate to the unexpired **Period of Insurance** provided always that no **Claim** has been made and no circumstance that may give rise to a **Claim** has been notified prior to such cancellation.

In the event that **You** provide evidence that **Your** company has been closed, this **Policy** may be cancelled by **You** at any time. **We** will give a pro-rata refund of the **Premium** proportionate to the unexpired **Period of Insurance** provided always that no **Claim** has been made and no circumstance that may give rise to a **Claim** has been notified prior to such cancellation.

Where **You** elect to cancel the **Policy** outside of the cooling off provision and **Your** company remains active **You** can do so by giving thirty (30) days' notice in writing in which case the **Premium** will not be refundable.

IV. **Change of Circumstances**

You must notify **Us** as soon as possible during the **Period of Insurance** if there is any change in circumstances or to the material facts previously disclosed by **You** to **Us** or stated as material facts by **Us** to **You** which increases the risk of **Accident**, injury, **Loss**, damage or liability.

Upon notification of any such change **We** will be entitled to vary the **Premium** and terms for the rest of the **Period of insurance**. If the changes make the risk unacceptable to **Us** then **We** are under no obligation to agree to make them and may no longer be able to provide **You** with cover.

If **You** do not notify **Us** of any such change **We** may exercise one or more of the options described in clauses c. i), ii) and iii) of condition VIII. - Fair Presentation of the Risk but only with effect from the date of the change in circumstances or material facts.

V. **Choice of Law and Jurisdiction**

This **Policy** shall be governed by the laws of England and Wales and any dispute in connection herewith shall be submitted to the exclusive jurisdiction of the English Courts.

VI. **Compulsory Insurance**

You must repay **Us** any amounts which **We** are required by compulsory insurance legislation to pay out under this **Policy** to the extent that **We** would not otherwise have been liable to make such payments on account of a breach of any of the terms or conditions of this **Policy**.

VII. Fair Presentation of the Risk

At inception and renewal of this **Policy** and also whenever changes are made to it at **Your** request **You** must:

- a. disclose to **Us** all material facts in a clear and accessible manner; and
- b. not misrepresent any material facts.

If **You** do not comply with clause a. of this condition **We** may:

- a. avoid this **Policy** which means that **We** will treat it as if it had never existed and refuse all **Claims** where any non-disclosure or misrepresentation by **You** is proven by **Us** to be deliberate or reckless in which case **We** will not return the **Premium** paid by **you**; and
- b. recover from **You** any amount **We** have already paid for any **Claims** including costs or expenses **We** have incurred.

If **You** do not comply with clause a) of this condition and the non-disclosure or misrepresentation is not deliberate or reckless this **Policy** may be affected in one or more of the following ways depending on what **We** would have done if **We** had known about the facts which **You** failed to disclose or misrepresented:

- a. if **We** would not have provided **You** with any cover **We** will have the option to:
 - I. avoid the **Policy** which means that **We** will treat it as if it had never existed and repay the **Premium** paid; and
 - II. recover from **You** any amount **We** have already paid for any **Claims** including costs or expenses **We** have incurred
- b. if **We** would have applied different terms to the cover **We** will have the option to treat this **Policy** as if those different terms apply. **We** may recover any payments made by **Us** on **Claims** which have already been paid to the extent that such **Claims** would not have been payable had such additional terms been applied
- c. if **We** would have charged **You** a higher **Premium** for providing the cover **We** will charge **You** the additional **Premium** which **You** must pay in full.

Where this **Policy** provides cover for any person other than **You** and that person would if they had taken out such cover in their own name have done so for purposes wholly or mainly unconnected with their trade, **Business** or profession **We** will not invoke the remedies which might otherwise have been available to **Us** under this condition if the failure to make a fair presentation of the risk concerns only facts or information which relate to a particular **Insured Person** other than **You**.

Provided always that if the person concerned or **You** acting on their behalf makes a careless misrepresentation of fact **We** may invoke the remedies available to **Us** under this condition as against that particular person as if a separate insurance contract had been issued to them leaving the remainder of the **Policy** unaffected.

VIII. Fraudulent Claims

If **You** or anyone acting on **Your** behalf:

- a. makes a fraudulent or exaggerated **Claim** under this **Policy**; or
- b. uses fraudulent means or devices including the submission of false or forged **Documents** in support of a **Claim** whether or not the **Claim** is itself genuine; or
- c. makes a false statement in support of a **Claim** whether or not the **Claim** is itself genuine; or
- d. submits a **Claim** under this **Policy** for **Loss** or damage which **You** or anyone acting on **Your** behalf or in connivance with **You** deliberately caused; or
- e. realises after submitting what **You** reasonably believed was a genuine **Claim** under this **Policy** and then fails to tell **Us** that **You** have not suffered any **Loss** or damage; or

- f. suppresses information which **You** know would otherwise enable **Us** to refuse to pay a **Claim** under this **Policy**

We will be entitled to refuse to pay the whole of the **Claim** and recover any sums that **We** have already paid in respect of the **Claim**.

We may also notify **You** that **we** will be treating this **Policy** as having terminated with effect from the date of any of the acts or omissions set out in clauses a. to f. of this condition.

If **We** terminate this **Policy** under this condition **You** will have no cover under this **Policy** from the date of termination and not be entitled to any refund of **Premium**.

If any fraud is perpetrated by or on behalf of an **Insured Person** and not on behalf of **You** this condition should be read as if it applies only to that **Insured Person's Claim** and references to this **Policy** should be read as if they were references to the cover effected for that person alone and not to the **Policy** as a whole.

IX. **Automatic renewal**

Your payment details will be securely stored to enable continuous payment authority. **We** may use these details to automatically renew **Your Policy** next year. This applies to payments by Direct Debit, Debit or Credit card. If **We** elect to use automatic renewals **We** will ensure that **You** are sent a renewal invitation before taking any payment. It is **Your** responsibility call **Us** if **Your** circumstances change or **You** do not wish **Us** to automatically renew **Your Policy**.

X. **Subrogation**

We shall be subrogated to all **Your** rights of recovery against any person to the extent of any payment made under this **Policy** and **You** shall take all steps necessary to preserve **Our** rights of subrogation and shall give all such assistance in the exercise of rights of recovery as **We** may require.

It is agreed that **We** shall not seek to exercise any such rights against **You** unless the **Claim** is brought about or contributed to by the dishonest, fraudulent, criminal or malicious act or omission of **You**.
